

## FINAL PROGRAMME

Day 1 – Tuesday March 25<sup>th</sup>, 2025

08:00 – 09.00	REGISTRATION
------------------	--------------

## Day 1 – Tuesday March 25<sup>th</sup>, 2025

	ROOM 20	ROOM 24	ROOM 23	ROOM 22	ROOM 21	ROOM 25	ROOM 27	ROOM 11
	ORAL SESSION 1 Chair:	ORAL SESSION 2 Chair:	ORAL SESSION 3 Chair:	ORAL SESSION 4 Chair:	ORAL SESSION 5 Chair:	ORAL SESSION 6 Chair:	ORAL SESSION 7 Chair:	ORAL SESSION 8 Chair:
	Trends in Educational Inequalities	Gender and Education	Aging, Caregiving, and Social Participation	Wage Bargaining and Equity	Attitudes Toward Gender Roles I	Comparative Perspectives on Migration	Wealth and Earnings	Child Disability, Family Dynamics, and Well-Being
<b>09:00 – 10:40</b>	<p><b>Bussi Davide</b> A century of inequalities of educational opportunities in Italy</p> <p><b>Lörz Markus</b> Educational participation, cultural resources &amp; social inequality: have social inequalities in reading skills increased or decreased between 2000-2022</p> <p><b>Panagiotis Kampylis</b> Tracing educational inequalities over time: a systematic review of longitudinal studies across Europe</p> <p><b>Rosenqvist Erik</b> Trends in educational inequality over the last decades in Sweden, Denmark and Norway</p>	<p><b>De Gioannis Elena</b> Gender and higher education: the role of stereotypes and school type in shaping Italian students' academic intentions</p> <p><b>Horn Dániel</b> The effect of maternal job loss on child's education</p> <p><b>Manzella Elisa</b> Gender track segregation and teacher recommendation bias: can awareness make a difference? Findings from an rct combined with factorial survey</p> <p><b>Reisel Liza</b> How do sex differences in maturation and impulse control influence academic achievement in us adolescents?</p>	<p><b>Bordone Valeria</b> Older people's social engagement since the covid-19 pandemic: a socially stratified return to normal</p> <p><b>Cabaraban Maria Karlene Shawn</b> Not all who care are equal: a study on the benefits and strains of grandchild care and paid work for cognitive functioning in Europe</p> <p><b>Jiang Sha</b> Navigating aging with limited kin in China: the role of education in family support networks</p> <p><b>Noel Sophia</b> The consequences of widowhood for mental health in the short- and medium-term across European countries</p>	<p><b>Besamusca Janna</b> Collectively bargained pay scales and earned wages in Europe: estimating an earned-bargained wage gap</p> <p><b>Kristal Tali</b> Distributional workplace accounts: concepts, methods and estimates for income and production classes</p> <p><b>Kulic Nevena</b> Gender and the perception of fair wages and job suitability in Italy: the results from a vignette experiment</p> <p><b>Parolin Zachary</b> Countervailing powers: labour unions against the buyer power of Walmart supercentres</p>	<p><b>Stoicescu Maria</b> Parental guilt in Italy: measurement and correlates</p> <p><b>Aslam Khan Saba</b> The gender revolution: stalled or still unfolding? Changes in gender role ideology across western and Islamic countries, cohorts 1942-1995</p> <p><b>Canzio Leandro Ivan</b> Military service and gender egalitarian values: an analysis of the British reform</p> <p><b>Okun Barbara</b> Gender role attitudes through the prism of religion/religiosity: an application of normative social justice theory</p>	<p><b>Celebrin Gaia</b> Occupational integration models between first- and second-generation migrants. A comparative study in six European countries</p> <p><b>Montanari Maria Giulia</b> Do migrant households catch up with local ones? Uptake of housing and family benefits across European welfare regimes</p> <p><b>Sprong Stefanie</b> Unequal access to childcare? Evidence from a harmonised, cross-national field experiment on anti-Muslimism, anti-black and anti-Roma discrimination</p> <p><b>Wu Qiong</b> Students with migration backgrounds and exposure to bullying across 49 countries: how migrant integration policies matter?</p>	<p><b>Disslbacher Franziska</b> Leaving legacies and liabilities: the distribution of wealth at death</p> <p><b>Granström Olivia</b> Education as an equalizer for all? Exploring the effects of adverse labor market experiences on intergenerational mobility among the highly educated</p> <p><b>Hassan Said</b> Earnings mobility across immigrant generations in Scandinavia: equal life chances in egalitarian welfare states?</p> <p><b>von Essen Emma</b> The premium of family wealth and gender gap in lifetime labor earnings</p>	<p><b>Bister Lara</b> Child disability and parental care burden</p> <p><b>Brekke Idunn</b> Divorce in parents of children with a disability: a longitudinal study</p> <p><b>Guasti Chiara</b> Child disability and parents' trust</p> <p><b>Neri Elena</b> Behind closed doors: child disability and family members' social well-being</p>

## Day 1 – Tuesday March 25<sup>th</sup>, 2025

10.40 – 11.00	<b>COFFEE BREAK</b>
11.00 – 12.45	<b>Institutional greetings, Conference presentation and first plenary session</b>  <b>Patterns of transition from secondary to tertiary education</b> <b>Daniele Checchi</b> (University of Milan) <b>Chair:</b> Anne-Marie Jeannet <b>Discussant:</b> Herman van de Werfhorst (EUI)
12.45 – 14.00	<b>LUNCH</b>

## Day 1 – Tuesday March 25<sup>th</sup>, 2025

	ROOM 20	ROOM 24	ROOM 23	ROOM 22	ROOM 21	ROOM 25	ROOM 27	ROOM 11
	<b>ORAL SESSION 1</b> Chair:	<b>ORAL SESSION 2</b> Chair:	<b>ORAL SESSION 3</b> Chair:	<b>ORAL SESSION 4</b> Chair:	<b>ORAL SESSION 5</b> Chair:	<b>ORAL SESSION 6</b> Chair:	<b>ORAL SESSION 7</b> Chair:	<b>ORAL SESSION 8</b> Chair:
	<b>Educational Choices</b>	<b>Mechanisms of Educational Inequality</b>	<b>Parenthood, Fertility, and Social Inequalities</b>	<b>Changing Meaning of Work</b>	<b>Attitudes Towards Inequality I</b>	<b>Migration, Human Capital, and Labor Market Outcomes</b>	<b>Intergenerational Mobility I</b>	<b>Couple Dynamics, Fertility, and Family</b>
<b>14.00 – 15.40</b>	<p><b>Becker Rolf</b> Social classes and educational decisions: a rigorous application of a rational choice theory for explaining educational differentials</p> <p><b>Gabay-Egozi Limor</b> The transformative power of education: does parental intergenerational educational mobility shape their children's educational trajectory?</p> <p><b>Winkler Oliver</b> Explaining social inequality between general and vocational paths to higher education entrance qualification and access to higher education in Germany</p> <p><b>Zhelenkova Antonina</b> Siblings' gender composition and educational choices: an analysis of the probability of enrolment in scientific and technical schools in Italy</p>	<p><b>Caprinali Anna</b> Study more, grant more benefits? The intersection of partnership and educational attainment in lgb economic outcomes</p> <p><b>Dominici Alice</b> The spillovers of child disability on peers' education and university choice</p> <p><b>Eskelinen Niko</b> The effect of perinatal health on iq in young adulthood</p> <p><b>Klein Markus</b> Socioeconomic status, school absenteeism, and academic achievement: a causal mediation analysis</p>	<p><b>Baek Jiseon</b> Investigating determinants of fertility amongst immigrants and their descendants in the UK: multilevel multiprocess approach</p> <p><b>Barbuscia Anna</b> Educational gradients in unrealized fertility in Spain</p> <p><b>Cozzani Marco</b> Social gradients in medically assisted reproduction treatment take-up and success rates in Denmark, 2007-2018*</p> <p><b>Di Nallo Alessandro</b> The socially stratified risk of pregnancy loss</p>	<p><b>Jeong Wonjeong</b> Occupational overwork norms and flexible work arrangement usage: divergent associations by arrangement type</p> <p><b>Kristensson Karin</b> Changing occupational stratification of meaningfulness in work? A study of sweden 1991-2019</p> <p><b>Prechsl Sebastian</b> Unemployment and the social norm to work—an empirical assessment using text mining and panel methods</p> <p><b>Veljkovic Marta</b> Bad name or bad habits: assessing the predictive power of subjective and objective indicators of work-life social mobility on wage trajectories</p>	<p><b>He Angela</b> How Americans evaluate fairness in the housing market: an experimental approach</p> <p><b>Li Shiyuan</b> Perceived inequality and its relationship with perceived mobility in today's China</p> <p><b>Schneider Simone</b> Fairness in educational opportunities: myth or reality? People's fairness assessments in the institutional context</p> <p><b>Yuxuan Hu</b> The hidden terrains of disparity: how residential and workplace socioeconomic status shape perceptions of inequality</p>	<p><b>Gundacker Lidwina</b> Pre-migration capital, refugee journeys, and post-migration trajectories: a sequence analysis approach</p> <p><b>Jaime Sofia</b> Ethnic inequalities in occupational outcomes in Argentina</p> <p><b>Kosyakova Yuliya</b> Effects of uncertainty about intentions to stay and return on the human capital investments of refugees</p> <p><b>Zwysen Wouter</b> The importance of host country human capital for the labour market integration of migrants with different motivations in Europe</p>	<p><b>García-Sierra Alice</b> Tracing equality of opportunity across cohorts</p> <p><b>Grätz Michael</b> Genes and equality of opportunity in life chances</p> <p><b>Plach Samuel</b> Social capital, automation, and intergenerational mobility</p> <p><b>Van Hootegem Arno</b> The changing role of social background, education and genetics on occupational attainment in the 20th century</p>	<p><b>Burciu Roxana-Diana</b> The long-run consequences of growing up in a single parent household: the United States in comparative perspective</p> <p><b>Cricco Ninno</b> Gender earnings convergence and changing pathways towards intergenerational family income persistence</p> <p><b>Leesch Julia</b> Pathways to parenthood: is the educational gradient in completed fertility driven by union formation and assortative mating?</p> <p><b>Xie Yu</b> Matches made in heaven: ideal partners for childbearing and marriage in the USA</p>
<b>15.40 - 16.00</b>	<b>COFFEE BREAK</b>							

## Day 1 – Tuesday March 25<sup>th</sup>, 2025

	ROOM 20	ROOM 24	ROOM 23	ROOM 22	ROOM 21	ROOM 25	ROOM 27	ROOM 11
	ORAL SESSION 1 Chair:	ORAL SESSION 2 Chair:	ORAL SESSION 3 Chair:	ORAL SESSION 4 Chair:	ORAL SESSION 5 Chair:	ORAL SESSION 6 Chair:	ORAL SESSION 7 Chair:	ORAL SESSION 8 Chair:
	Educational Policies and Social Inequalities I	External Shocks and Educational Outcomes	Innovation in Measurement	Employers and Hiring Preferences	Political Attitudes and Behavior I	Migration, Mobility, and Career Trajectories	Intergenerational Mobility II	Gender Perspectives on Occupation
<b>16.00 – 17.40</b>	<p><b>Pereira Julie</b> Reducing educational inequalities through music instruction? Evidence from a quasi-experiment on a violin program for young disadvantaged children.</p> <p><b>Pietrolucci Andrea</b> Neoliberal and democratic school-level policies: global distribution and consequences for achievement inequalities</p> <p><b>Weiss Felix</b> Gender and ethnicity differences in the effect of blind grading – an analysis of policy reforms in Denmark</p> <p><b>Geraldo Bastias Pablo</b> Effects of tuition-free college on high school students' trajectories: evidence from a Chilean reform</p>	<p><b>Kilpi-Jakonen Elina</b> Sub-national trends in learning outcomes pre- and post-covid19: did digitalization have an impact?</p> <p><b>Lindemann Kristina</b> Parental separation and early school leaving: the role of educational contexts in European countries</p> <p><b>Nazar Khalid</b> Compounding disadvantages: precipitation shocks, social stratification, and school continuation in India</p> <p><b>Rubio-Cabañez Maria</b> The interplay of extreme temperatures and socioeconomic status in shaping inequality in academic performance</p>	<p><b>Barron Boris</b> The dissimilarity index was never compositionally invariant</p> <p><b>Block Per</b> Should we model mobility as networks? An empirical comparison using five types of mobility</p> <p><b>Law Tina</b> A sociological approach to analyzing satellite and streetscape imagery with generative ai</p> <p><b>Smallenbroek Oscar</b> A proposal for a multi-level class schema</p>	<p><b>Alecu Andreea</b> Occupational regulation and hiring preferences of employers in health, education, and engineering</p> <p><b>Burchartz Luisa</b> Employers' evaluations of general and specific graduates over the career: evidence from a factorial survey experiment in Germany and England</p> <p><b>Kreienbühl Michèle</b> The role of job tasks in explaining employers' preferences for different educational credentials</p> <p><b>Werthmüller Noël</b> Recruiters' gender stereotypical expectations in hiring preferences: insights from a factorial survey experiment with real-world vacancies</p>	<p><b>England Paula</b> Income and educational gradients in voting democratic among us whites, 1980-2020: did the white working class get conservative or elites get "woke"?</p> <p><b>Melli Giacomo</b> Intergenerational social mobility and voter turnout in Britain</p> <p><b>Van de Werfhorst Herman</b> Wider gaps or deeper trenches? Cleavages in political values in a global perspective 1985-2020</p> <p><b>Weißenfels Clara</b> Social origins and electoral participation – the compensatory role of volunteering in Germany</p>	<p><b>Ferrara Alessandro</b> Immigrant health selection: measuring height selectivity and its consequences at destination</p> <p><b>Fournier Julie</b> The effect of employment-conditional residence permit on the labour market mobility of labour immigrants in Sweden</p> <p><b>Lopez Blanco Jose David</b> The returns of return premium: intra- and intergenerational mobility among return migrants in Europe</p> <p><b>Madsen Aleksander Arnes</b> Childhood immigration, skill specialization, and labor market sorting</p>	<p><b>Breuker Valeria</b> The geographical heterogeneity of the effect of social origin on occupational achievement: study of Italian provinces</p> <p><b>Dalman Elien</b> Surnames as socioeconomic status? Assessing surnames as predictors of education, income, wealth, and occupational status using Swedish register data</p> <p><b>Sheen Matthew</b> How are millennials doing? Long-term trend in intergenerational class mobility in the United States during the 20th century</p> <p><b>Maas Ineke</b> The forerunners of women emancipation in the labour market: status attainment of Dutch women from the 19th century</p>	<p><b>Einhoff Jan</b> Occupational segregation and gender gaps in later life labour market participation: new evidence from causal decomposition analyses for Germany</p> <p><b>Hamjediers Maik</b> Gender-specific occupational titles, occupational gender compositions, and occupational prestige</p> <p><b>Hauf Jule</b> Gender segregation in occupations from the perspective of men: the role of agentic job characteristics in increasing acceptance for men in nursing</p> <p><b>Prix Irene</b> Fathers' gender-(a)typical work histories and paternal leave uptake</p>

## Day 1 – Tuesday March 25<sup>th</sup>, 2025

**17.40 –  
19.30**

### POSTER SESSION

#### Aperitivo

<p><b>Buis Maarten</b> Loophole or second chance? Track mobility and inequality of educational outcomes in Germany</p> <p><b>Cipriano Roberta</b> Is the female emancipation complete? A unique analysis of gender segregation in Italian higher education across three decades (1995–2022)</p> <p><b>Feniger Yariv</b> Is it really a paradox? A mixed-methods within-country analysis of the gender gap in stem education</p> <p><b>Gelbgiser Dafna</b> The changing socioeconomic context of four-year college campuses in American academia 2001-2016</p>	<p><b>Lievore Ilaria</b> School segregation and family educational choices. The role of socioeconomic and migratory background</p> <p><b>Loria Cristina</b> The University choice of southern Italy high school students</p> <p><b>Lénárd Tünde</b> Optimism trap or optimism springboard? Aspirations and educational trajectories of boys and girls with foreign-born parents</p> <p><b>Vettoretto Elena</b> Beyond the pay gap how gender, family, and expectations shape stem choices</p> <p><b>Bertogg Ariane</b> Coupled inequalities? Gender, educational assortative mating and cognitive ageing</p> <p><b>Palmaccio Silvia</b> Child disability spillovers on schoolmates' noncognitive outcomes</p>	<p><b>Corti Giulia</b> Parental social class and home-leaving in Italy: a changing landscape with persistent inequalities</p> <p><b>Lohmann Christian</b> How do occupational experiences shape parenting? Revisiting Kohn's theory of self-direction</p> <p><b>Nazio Tiziana</b> Doing and undoing families in Italy. Inequalities in family dynamics in overcoming crises</p> <p><b>Tosi Marco</b> Older parents' contact with children across Europe: cross-national heterogeneity and measurement issues</p> <p><b>Track Jannik</b> Parental investment and equality among siblings</p>	<p><b>Xiaomin Geng</b> Exchange or patrilineality: what influences Chinese parents' inheritance distribution decisions?</p> <p><b>Allegrì Chiara</b> Recurring shipwrecks in the mediterranean sea and attitudes towards immigration across Europe</p> <p><b>Chzhen Yekaterina</b> Immigrant optimism in Ireland: parental expectations of children's educational attainment</p> <p><b>Haugrud June</b> Selection and stratification</p> <p><b>Schmaus Miriam</b> Do standardized language requirements on the labour market reduce or increase language-based discrimination of immigrants?</p>	<p><b>Arpino Bruno</b> Propensity score matching for cross-classified data structures. The effect of parenting style on the educational performance of children of immigrants</p> <p><b>Gritti Davide</b> Marital biography and health later on: a biomarker approach in multiple countries</p> <p><b>Lancee Bram</b> Click to reveal: using restricted click stream analysis to reduce social desirability bias and track information seeking in conjoint analysis</p> <p><b>Van Winkle Zachary</b> Children's family complexity and educational outcomes: a fixed-effects analysis of multi-dimensional sequence-based measures</p> <p><b>Amend Inga</b> Working from home and career advancement: longitudinal insights from German workplaces</p>	<p><b>Chowdhury Tasnim Monzoor</b> Exploring the dynamics of employment quality following career disruption? A focus on age differences.</p> <p><b>Fried Daniel</b> Household labor, work-life style preferences, and the myth of gender neutrality: the Gender gap in paid work hours among wage employees in dual-earner</p> <p><b>Michelin Irene</b> Overeducation dynamics in Germany and the United Kingdom: persistence of the phenomenon, scarring effects and wage trajectories</p> <p><b>Morikawa Yuriko</b> Gender heterogeneity of social costs of negotiation</p> <p><b>Nasu Rantaro</b> Social prestige of nonstandard worker in Japan: rater attribute heterogeneity</p>	<p><b>Evensen Miriam</b> Segregation and neighborhood concentration of economic deprivation</p> <p><b>Houle Jason</b> Child tax credit expansions, credit use, and debt among low-income mothers</p> <p><b>Erbay Elif</b> The effect of gender norms on social mobility in Turkey</p> <p><b>Peng Qiyuan</b> Resource stratification and income segregation in Brazilian and Chilean universities</p> <p><b>Peng Qiyuan</b> Intergenerational transmission of education in Norway: a triangulation approach</p>	<p><b>Qin Zhuowen</b> Heterogeneity in intergenerational transmission of housing inequality: evidence from cohort study in China (1920-2003)</p> <p><b>Carriero Renzo</b> In the name of the father? Social norms and children's surnames in Italy</p> <p><b>Miglio Marica</b> Awarding merit or rewarding inequalities? The effect of meritocracy on unequal performance</p> <p><b>Zai Emma</b> Disparities in cancer diagnosis, treatment, and mortality across socioeconomic groups in Finland</p> <p><b>Zanga Giulietta</b> The influence of teachers' social relationships on their prejudice attitudes</p>
